RE: Restaurant Assistant Manager

---

Café Yumm! - #100019 has an opening for a Restaurant Assistant Manager at Portland International Airport. This is a regularly scheduled, full-time position. The Restaurant Assistant Manager provides management in the absence of or in conjunction with the Restaurant Manager by ensuring the highest standards in safety, cleanliness, food preparation, food presentation, exemplary guest service to our guests. All Team Members must be familiar with and follow to the best of their ability the Mission Statement and Statement of Core Values.

Wage and Benefit Packages are highly competitive within the industry, including health/dental/vision/life insurance, personal time off, 401(K) with contributory match, shift meals, retail discount, subsidized training and certification opportunities, and more!

You:

- A passion for excellence
- Superior communication skills
- Winning Smile
- Positive Attitude
- Available to work any shift, including days, evenings, and weekends
- Available to work long hours if necessary – 8 to 12 hours a day, 45 hours per week, sometimes 7 days a week
- Possess or be able to obtain a ServSafe Certificate with a passing score of 85% or greater
- Possess or be able to obtain an OLCC Server Permit
- Bachelor's degree, Associate degree, or equivalent related experience.
- Knowledgeable in areas of food preparation, nutrition, sanitation, security, company policies and procedures, personnel management, recordkeeping, and preparation of reports, and use of the restaurant's POS system.
- At least one (1) year in the restaurant industry, holding more positions with greater responsibility, including management experience.
