

We're hiring!

JOIN A LOCAL SMALL COMPANY WITH A COMMITMENT TO DELICIOUS FOOD AND GREAT SERVICE!

Our family-owned restaurant group is looking for an experienced, dedicated, self-starting General Manager to join our team. Bamбуza Hospitality Group has two Vietnamese restaurants in the Portland Metro Area with a third opening at PDX later this year. We're looking for a GM for our PDX Airport location who takes pride in what they do and wants to build the best restaurant they can.

We encourage the GM to make the store theirs, taking care and responsibility for it, diving in to solve problems and celebrating its many successes. Do you take pride in building a business? Do you enjoy tackling a fast-paced environment with a hard-working team? Are you looking to expand your managerial skill set and find opportunities for growth? Let's connect!
