About the job

Do you love meeting people from all over the world? Our PDX location offers a fast-paced and friendly cafe experience, for travelers and airport regulars alike, in one of the best airports in the country. Our PDX store offers weekly specials along with classic and grilled sandwiches, soups, and deli salads. Elephants now has two locations in the airport: A counter-service location upstairs on the south side of ticketing, as well as a grab-and-go location downstairs by baggage claim.

We are looking for a customer service star to help our Front of House team! In this position you would be assisting customers in purchases, coffee, sandwiches, soups and more! The perfect candidate will be very comfortable with talking to our hundreds of customers daily and should be easily able to adapt to the ebbs and flows of working within an airport!

Elephants Delicatessen is committed to fostering, cultivating, and preserving a culture of diversity and inclusion.
