

POSITION: PDX Building Maintenance Mechanic (Non-Exempt)

SALARY: \$40.63 Hourly
\$7,042.53 Monthly

OPENING DATE: 11/17/21

CLOSING DATE: 12/03/21 05:00 PM

GENERAL INFORMATION:

From water treatment systems to passenger loading bridges, the Building Maintenance Mechanic team keeps facilities at Portland International Airport (PDX) in tip-top shape. If you enjoy a challenging work environment where you are working on a variety of equipment and projects throughout the week, then you may have found your dream job!

As a Building Maintenance Mechanic at the Portland International Airport (PDX), you will provide skilled labor to maintain PDX facilities and systems. You will also participate in training required to support maintenance activities to Port Aviation facilities as identified by PDX Management.

We're looking for someone that will share the Port's commitment to valuing differences among individuals, has a passion for being inclusive and advancing practices, strategies and behaviors that promote inclusion, equity and opportunity for all.

NOTE: Per labor agreement, hours are bid by seniority. *Selected candidate must be available for all shifts.*

The Port of Portland is committed to ensuring the health and safety of our employees and community. As part of this commitment, all Port employees are required to be fully vaccinated against COVID-19 or have an approved medical or religious exception and accommodation as a condition of employment. **Candidates must provide proof of vaccination or have an approved exception and accommodation prior to beginning work at the Port.**

SUMMARY OF ESSENTIAL RESPONSIBILITIES:

- Contribute to the organization's success by successfully performing repairs and/or replacements in the following major job functions:
 - Passenger Loading Bridges
 - Backflow Preventers
 - Deicing Systems
 - Fire Protection Systems
 - Door Security Systems (doors & locks)
 - Compressed Natural Gas
 - Revolving, Sliding and Overhead Doors
 - Plumbing Systems
 - Sanitary and Storm Lift Stations
 - Trash Compaction Systems
 - Carpet, Glazing, and Finishes
 - Sign Fabrication (all applications)
 - Car Wash System

- Dock Levelers
 - Roofing and Roof Drainage Systems
- Other duties as assigned by PDX Management in accordance with the current Collective Bargaining Agreement.

MINIMUM REQUIREMENTS/SKILLS AND ABILITIES:

- High school diploma or an equivalent is required.
- Journeyman-level experience in one or more the following trades is required. A combination of the following trade skills is preferred:
 - Plumbing
 - Millwright
 - Fire systems maintenance
 - Piping and pumps
 - Welding and fabrication
 - Carpentry (paint finishes, sheetrock repair and installation and interior repairs and finishes.
- Basic math skills (addition, subtraction, multiplication, division, and basic algebra) are required.
- Experience working at an industrial facility is preferred.
- Valid driver's license is required.
 - Ability to obtain Class B Commercial Driver's License (CDL) within the probationary period is required.
 - Class B Commercial Driver's License (CDL) at time of hire is preferred.

SKILLS AND ABILITIES:

- Ability to:
 - Interpret technical instruction books and manuals, mechanical and electrical blueprints and written instructions.
 - Work independently and make sound decisions in the absence of specific direction.
 - Work respectfully and collaboratively with peers, customers and contractors.
 - Demonstrate commitment to valuing differences among individuals and passion for being inclusive.
 - Promote safety as a guiding principle and practice in accomplishing work by complying with safety and health policies and procedures and consistently seeking improvements that support operational excellence.

ADDITIONAL INFORMATION:

- **Safety:** The Port promotes safety as a guiding principle and practice in accomplishing work by complying with safety and health policies and procedures and consistently seeking improvements that support operational excellence.
- **Diversity and Inclusion:** At the Port, we don't just accept difference; we value and support it to create a culture of inclusiveness and fun. We are proud to be an Equal Opportunity Employer.
- **EEO/Affirmative Action Policy Statement:** The Port of Portland is dedicated to maintaining and improving a work environment, which extends equal opportunity to all individuals, regardless of their race, color, sex, age, religion, national origin, marital status, veteran status, disability or sexual orientation. Employment decisions shall be made in such a manner as to further the principle of equal employment opportunity and to comply with state, federal and local laws. We affirm through this policy statement our continuing commitment to the principles of nondiscrimination and affirmative action.
- **Veterans Preference:** Under Oregon law, qualified veterans may be eligible for veterans preference when applying for Port of Portland positions. If you are a veteran and would like to be considered for a veterans preference for this job, please provide the qualifying documents as instructed during the application process.

- Background Checks and Drug Testing: The Port of Portland will conduct background checks and/or drug tests for positions where such tests are required by regulation and for other safety-sensitive positions.
- ADA Accommodation: Accommodations will be considered for applicants or candidates with a qualifying disability that prevents them from participating in this process. Accommodations will be made where the Port can reasonably do so without imposing an undue hardship on the business or compromising the integrity of the recruitment process. An applicant with any disability who believes that they need an accommodation should contact Human Resources at 503.415.6000
