

POSITION: Vehicle Maintenance Journeyman (Non-Exempt)

SALARY: \$40.63 Hourly
\$84,510.40 Annually

OPENING DATE: 09/16/21

CLOSING DATE: Continuous

GENERAL INFORMATION:

Are you a mechanical mastermind who has experience maintaining a broad range of vehicles and equipment? From small gas engines to front-end loaders the PDX Vehicle Maintenance Mechanics diagnose, overhaul and repair the equipment that keeps PDX passengers and employees moving. If you are looking for an opportunity that offers great pay, benefits, and a dynamic work environment, then this may be your dream job!

Note: This is a union represented position. Shift bid is done by seniority, per the labor agreement. Successful candidate must be available for all shifts.

SUMMARY OF ESSENTIAL RESPONSIBILITIES:

- Utilize a full range of tools, shop equipment, and diagnostic devices to maintain, diagnose, overhaul, and repair:
 - Ignition systems;
 - Carburetor and fuel injection systems;
 - Electrical systems;
 - Alternative Fuel Systems including CNG and Propane;
 - Mechanical, hydraulic, and pneumatic brake systems;
 - Automatic and standard transmissions and drive trains, including Power take offs (PTOs);
 - Suspension and steering systems, including hydraulic and pneumatic;
 - Heating, cooling, and exhaust systems;
 - Full range of small and large gasoline and diesel engines;
 - Hydraulic and hydrostatic systems; and
 - Automotive computer sensor systems.
- ARC, MIG, TIG, and gas welding/brazing for repairs and fabrication of one-off parts.
- Other duties as assigned by PDX Management in accordance with the current Collective Bargaining Agreement:
 - Snow Removal (equipment operation and material applications)

MINIMUM REQUIREMENTS/SKILLS AND ABILITIES:

Minimum Requirements:

- Course work or experience equivalent to an Associate Degree in Automotive Technology.

- Minimum of five (5) years of experience in the diagnosis, maintenance, overhaul, and repair of full range of light and heavy equipment and vehicles; or, certification from an accredited automotive/diesel technician training program and three years of relevant work experience is required.
- Experience with maintenance and repair of emergency vehicles is preferred.
- Transit bus repair and maintenance is preferred.
- Working knowledge of basic gas and arc welding and brazing techniques is required.
- Valid driver's license is required. Class A Commercial Driver's License with Air Brake, Tanker, Combination and Passenger endorsements is preferred at time of hire; or the ability to obtain within the 6-month probationary period is required.
- Working knowledge of and experience with specialized electronic diagnostic systems (eg. Snap-On MODIS, Cummins Insite, Thermoking) is preferred.
- Emergency Vehicle Technician (EVT) Certification is preferred.
- Automotive Service Excellence (ASE) Certification is preferred.
- Ability to obtain and maintain security clearance for unescorted access to secured areas of the airport is required.

Skills and Abilities:

- Physically fit and able to perform heavy labor.
- Ability to:
 - Read and interpret technical manuals and diagrams.
 - Establish and maintain good working relationships with others.
 - Change large equipment tires.
 - Operate heavy equipment.
 - Demonstrate commitment to valuing differences among individuals and passion for being inclusive.
 - Work independently with minimal supervision.
- Basic computer abilities to work within a Computerized Maintenance Management System (CMMS) and research vehicle/equipment problems.
- Promotes safety as a guiding principle and a regular practice in accomplishing work; focuses on safety improvements and complies with safety and health policies and procedures.

ADDITIONAL INFORMATION:

- **Safety:** The Port promotes safety as a guiding principle and practice in accomplishing work by complying with safety and health policies and procedures and consistently seeking improvements that support operational excellence.
- **Diversity and Inclusion:** At the Port, we don't just accept difference; we value and support it to create a culture of inclusiveness and fun. We are proud to be an Equal Opportunity Employer.
- **EEO/Affirmative Action Policy Statement:** The Port of Portland is dedicated to maintaining and improving a work environment, which extends equal opportunity to all individuals, regardless of their race, color, sex, age, religion, national origin, marital status, veteran status, disability or sexual orientation. Employment decisions shall be made in such a manner as to further the principle of equal employment opportunity and to comply with state, federal and local laws. We affirm through this policy statement our continuing commitment to the principles of nondiscrimination and affirmative action.
- **Veterans Preference:** Under Oregon law, qualified veterans may be eligible for veterans preference when applying for Port of Portland positions. If you are a veteran and would like to be considered for a veterans preference for this job, please provide the qualifying documents as instructed during the application process.
- **Background Checks and Drug Testing:** The Port of Portland will conduct background checks and/or drug tests for positions where such tests are required by regulation and for other safety-sensitive positions.
- **ADA Accommodation:** Accommodations will be considered for applicants or candidates with a qualifying disability that prevents them from participating in this process. Accommodations will be made where the Port can reasonably do so without imposing an undue hardship on the

business or compromising the integrity of the recruitment process. An applicant with any disability who believes that they need an accommodation should contact Human Resources at 503.415.6000
